## PROFESSIONAL EXPERIENCE

**HCLTech Lanka (PVT) Ltd.,** Infrastructure Engineer

07/2021 – 04/2024 | Colombo, Sri Lanka

- Computed Windows-based solutions, aligning them with organizational needs while ensuring scalability, security, and optimal performance.
- Deployed and configured Windows servers and workstations, including user accounts, permissions, and network setups. Leveraged virtualization technologies like Hyper-V and VMware for enhanced efficiency.
- Established efficient backup solutions to maintain data integrity and created comprehensive disaster recovery plans, mitigating potential data loss and system failures.
- Maintained meticulous documentation of system configurations, procedures, and troubleshooting steps, enabling seamless knowledge transfer and future reference.
- Implemented industry-leading security practices and protocols to safeguard Windows systems against potential threats and vulnerabilities.

**Infonits,** Web Application Developer

01/2021 – 06/2021 | Jaffna, Sri Lanka

- Publicized effective collaboration with front-end developers, integrating user-facing elements with server-side logic for enhanced user experience.
- Improved application performance by fine-tuning database queries and server processes.
- I participated in code reviews, delivering constructive feedback to maintain high code quality and adherence to best practices.
- Collaborated with cross-functional teams, including UI/UX designers and product managers, ensuring timely and successful project delivery.

**Hatton National Bank,** Intern

06/2016 – 12/2016 | Jaffna, Sri Lanka

- Provided exceptional customer service, resolving inquiries and issues with a positive and professional approach.
- Gained valuable insights into banking operations, processing transactions, and updating customer information while adhering to policies.
- Synthesized risk management efforts, assisting in identifying potential operational risks.
- Ensured compliance with banking regulations and legal requirements, fostering a well-regulated environment.

## VOLUNTARY CONTRIBUTION

- Volunteer in St John's Ambulance for Athletic meet in 2008, 2009, 2010.
- Volunteered in Scout for Kovil Function in 2011.
